

The purpose of the RACINE ART GUILD is to promote creative and original art for the mutual benefit of all members and to advance the appreciation of art in Racine.

The GUILD represents members from all areas of expertise and interests in art. These areas include painting, graphics, sculpture, drawing, ceramics, and fibers. By becoming a member you will meet artists as well as patrons in an informal atmosphere.

The GUILD is dedicated to promoting the education, appreciation and funding of the Arts in Racine. Through their annual Starving Artist Art Fair, the GUILD funds scholarships to local university art students and contributes toward art education at the Wustum Museum.

RACINE ART GUILD was founded in 1957 and is a proud member of the Racine Arts Council and the Racine Art Museum.
